Customer Service and Payment Information

WHEN TO PAY YOUR BILL

Your bill is due and payable on presentation and shall become delinquent nineteen days after the date of presentation. The payment due on your bill applies to the current charges only and does not extend the due date on any unpaid previous balance. Current City of Los Angeles policy provides for notification ten (10) days prior to discontinuance of service for nonpayment.

LATE PAYMENT CHARGE

A Late Payment Charge amounting to an 18% annual rate, computed on a daily basis, may be assessed on electric and water balances that are not paid by the due date. The charge is made for each day of the billing period shown on the current bill. Service may be discontinued for nonpayment.

IF YOU QUESTION YOUR LADWP CHARGES

Please contact an LADWP representative by phone at (800) 342-5397, in person at any of the LADWP Customer Service Centers listed on the back of your payment stub, or online using our Customer Service form at ladwp.com/contactus. After receiving an explanation, you may ask for more information from a supervisor. If you still disagree with the charges on your bill after communicating with Customer Service, you must send a written request for a dispute determination by the bill due date to: LADWP Customer Relations Office, P.O. Box 51111, Los Angeles, CA 90051-0100. In order to preserve your right to a dispute determination before termination of service, all undisputed amounts must be paid by the bill due date.

If you need help paying your bill, information about payment programs is available at ladwp.com/financialassistance or by calling us at (800) 342-5397.

ELECTRONIC CHECK CONVERSION

Your payment may be processed as a check transaction or a one-time electronic fund transfer, which means funds may be withdrawn the same day as payment, and you will not receive your check back from your bank. For more information on electronic fund transfers and fees for insufficient funds, please see www.ladwp.com/checkconversion.
